Angie Bromwell, President

Dear South Dorchester K-8 Parents:

The Parent Teacher Council (PTC) would like to thank everyone who participated in Back to School night and attended our first PTC meeting on September 12, 2007.

Our second PTC meeting will be held on September 27, 2007, 6:30pm, at the School. We would be ecstatic to have you in attendance, bringing new ideas, as well as our old ones up for discussion. Last year the PTC provided funds for:

- S.D. K-8 field trips
- New tables
- Teacher appreciation luncheon and breakfast
- 8th grade breakfast
- Student Agendas
- Smart Classrooms
- Dinner for teacher retirees and transferring teachers

Already, the PTC has started our first fund raiser through “Claire’s” which was a huge success last year. Please remember to get as many orders as possible. Orders and money are due Oct 3rd to school. Orders will be picked up Oct 18th. A letter will go home at a later date on time of pick ups.

The most unique aspect of the PTC and South Dorchester K-8 is the community involvement of parents and students. While participating last year, it always amazed me how precious our children are to all the members of our community and the amount of care S.D. K-8 parents provide for the welfare of all students. This is why I know my child is safe, being provided with a great education, and belonging to a close knit community. I hope you feel the same way and will be happy to be a part of the S.D. K-8 PTC.

Feel free to contact Angie Bromwell at 410-221-1236 or Stacie Brooks at 410-228-4481 with any questions or concerns.

Sincerely,

Angie Bromwell
PTC President
